Shobhit Kori

Summary

A proactive CS graduate with strong foundations in full-stack development. Skilled in JavaScript, TypeScript, React, Node.js, and modern web technologies. Passionate about building scalable, high-performance applications and eager to contribute to innovative SaaS solutions.

Technical Skills

• Languages: JavaScript (ES6+), TypeScript, Java, C++, Python

• Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS

• Backend: Node.js, Express.js, RESTful APIs, WebSockets, GraphQL

• Databases: MongoDB, MySQL

• DevOps: Docker, CI/CD Pipelines, Jenkins, Jira, GitHub

• Version Control: Git, GitHub, GitLab

• Cloud Tools: Azure, Azure Functions

• Problem Solving: 100+ Leetcode problems solved, strong algorithmic thinking

Projects

Interview-as-a-Service Platform (GitHub) — React, Node.js, Express, MongoDB, WebRTC

- Developed a SaaS-based interview platform enabling companies to conduct technical assessments with real-time coding and video features.
- Implemented a collaborative code editor and video integration for seamless technical interviews.
- Used React with Tailwind CSS for a responsive UI and Node.js for efficient backend processing.
- \bullet Implemented role-based authentication using JWT for secure transactions.

Charity Connect (GitHub) — React, Node.js, Express, MongoDB

- Designed a platform connecting donors with NGOs to facilitate monetary and product donations.
- Improved load times by 40% using React's Virtual DOM optimizations.
- Achieved a 30% increase in user engagement through intuitive UI/UX design.

Education

BSc in Information Technology

Mulund College of Commerce, Mumbai, Maharashtra

GPA: 8.4/10 07/2022 - 04/2025

Certifications

- Microsoft Azure Fundamentals
- Microsoft Azure AI Fundamentals
- IBM DevOps Fundamentals
- DSA with Java Apna College

Additional Interests

- Fitness and Nutrition: Staying mentally and physically strong.
- Competitive Programming: Regular participant in coding challenges to enhance problem-solving skills.
- Technology Trends: Enthusiastic about learning the latest web and cloud technologies.
